Letter Of Appreciation

I am writing to recommend Mr. Sourav Das. He worked with us at Xfinite Technologies Private Limited as a Campus Ambassador for Mzaalo and was reporting to (Manager –Madhuri Walia).

As a campus ambassador, he was always motivated, inquisitive and hardworking. During his time in my team he managed to complete all the tasks on time.

If you need more information or specific examples, please do not hesitate to contact me at (akanksha@xfinite.io). As an appreciation letter likely only provides a snapshot of his talents, I would be happy to elaborate on my time working with him.

For Xfinite Technologies Pvt. Ltd.

A handwritten signature in blue ink, appearing to read 'Akanksha Gaikwad'.
